

# Thai Language Classes for Foreigners at The Learning Centre

The Thai language curriculum is based on Benjawan Poomsan Becker's textbook - **Thai for Beginners** - and has been approved by the Thailand Ministry of Education.

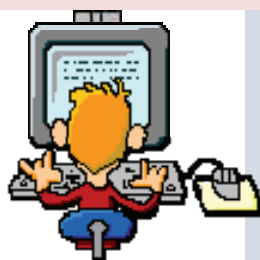

All four language skills are taught: speaking, listening, reading and writing. Three levels are offered: **Beginners, Intermediate and Advanced.**

Our Thai Language teachers are graduates of well-known Thai universities with a major in Education and / or Linguistics. The class language is Thai and English.

ED Visa (can extend up to 3 years) available on payment for 180 hours of study. Cost Baht 24,900.

This price is for classes and the required documents from the Ministry of Education. All costs associated with travel and visa application at a Thai Consulate abroad are at the expense of the student.

## Computer Classes
